ACCURATE & RELEVANT INFORMATION

If you are a person buying insurance wholly or mainly for personal purposes unrelated to your employment, you have a duty to take reasonable care to answer questions fully and accurately, and that any information you volunteer is not misleading. This duty exists before the cover is placed, when renewed, or altered at any time throughout the duration of the policy. If you do not do so, your Insurer may be able to void your policy from inception. An example of this could be the medical history of a **close relative** or other person that may cause you to cancel or cut short your trip. If you are unsure whether or not information is relevant, please do not hesitate to call us on 0800 581 801.

RELEVANT INFORMATION

If, when you buy this policy, you are aware of anyone or anything that could increase the risk or result in a claim you must tell us. If you do not tell us, your policy may not cover you, and might be invalidated altogether. We reserve the right to charge an increased premium, decline, withdraw cover or increase the policy excess as well as cancel or restrict cover for any person.

OUR PLEDGE TO YOU

It is our aim to give a high standard of service and to meet any claims covered by these policies honestly, fairly and promptly. We occasionally get complaints and these are usually through a misunderstanding or insufficient information. Any complaint will be investigated at once and the matter resolved as quickly as possible.

POLICY A – PRE-TRAVEL POLICY

HOW YOUR PRE-TRAVEL POLICY WORKS

This part of your insurance document shows details of the pre-travel insurance policy, the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. It is essential that you read it. The policy is a contract between us and you. We will pay for any event, as set out in the policy that happens during the period from purchase of the policy and time of booking to date of travel for which you have paid the appropriate premium.

All numbers and letters shown under 'For each insured-person this insurance will not cover:' refer to the same numbers and letters under 'For each insured-person this insurance will pay:' Where no letters or numbers are shown it applies to the whole section. You are required to disclose any relevant information otherwise your policy will not cover you and it may invalidate it altogether.

WHEN YOUR PRE-TRAVEL POLICY STARTS AND ENDS

The cover on cancellation, as described under section A under the pre-travel policy, starts from the commencement date of cover shown on your insurance certificate, after the policy was issued and ends when you leave home to start each trip. The maximum permitted trip duration under a single trip policy is 93 days. The maximum permitted trip duration under a Multi-trip policy is 60 or 90 days, dependent upon the option chosen. Cover under the Multi-trip policy is limited to 183 days in total during any 12 month period.

CHANGE IN MEDICAL CONDITION OR ONGOING MEDICATION

If your health or your ongoing medication changes between the date the policy was bought and the date of travel you must advise the medical screening helpline on 0343 658 0349 as soon as possible. We will advise you what cover we are able to provide after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

POLICY B – TRAVEL POLICY

HOW YOUR TRAVEL POLICY WORKS

This insurance document shows the sections of cover, limits, conditions, exclusions, information on what to do if **you** need to claim, how to obtain legal advice and how to contact the 24 hour emergency assistance service. It is essential that **you** read it. The policy is a contract between **us** and **you**. **We** will pay for any event, as set out in the policy, that happens during the period of cover for which **you** have paid the appropriate premium.

Your travel insurance policy is not intended to cover items of high value, such as smart phones, expensive watches etc., as these should be fully insured under **your** house contents insurance on an All Risks extension for 365 days of the year. There is a maximum amount **you** can claim for each individual item and a maximum amount in total for **valuables**, and these are shown under the **personal possessions** section. The **personal possessions** section is not 'new for old' and an amount for age, wear and tear will be deducted.

Your policy covers treatment of **medical conditions** in an emergency and which will respond quickly to treatment. It is not intended to cover **you** for recurrent or long term treatment and in these circumstances, bearing in mind the advice given by tifgroup-assistance, **we** reserve the right to transfer **you** to a state hospital, where adequate facilities are available, or repatriate **you** to **your home country**.

All numbers and letters shown under 'For each insured-person this insurance will not cover.' refer to the same numbers and letters under 'For each insured-person this insurance will pay.' Where no letters or numbers are shown it applies to the whole section.

WHEN YOUR TRAVEL POLICY STARTS AND ENDS

The cover under all sections starts when **you** commence **your trip** and ends when **you** complete **your trip**; alternatively cover will cease upon expiration of **your** policy, whichever is the first. The maximum permitted **trip** duration under a single trip policy is 93 days. The maximum permitted **trip** duration under a Multi-trip policy is 60 or 90 days, dependent upon the option chosen. Cover under the Multi-trip policy is limited to 183 days in total during any 12 month period.

EXTENSION OF PERIOD

In the event of **your** death, injury or illness or that of anyone travelling with **you** or because of delay or failure of **public transport** services **you** are unable to complete the **trip** before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for **you** to complete the **trip**.

SECTION B4 - EMERGENCY MEDICAL AND ASSOCIATED EXPENSES

If you need to see a doctor, ask your hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge you to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give you unnecessary treatment and at inflated prices - if you are ever in doubt please call the assistance team for advice on where to seek treatment. In case of extreme urgency please call the local ambulance service and notify tifgroup-assistance as soon as you are able. - There is no cover for:
 - routine, non-emergency or elective treatment

- or treatment that can wait until **you** return home.

- Our doctors are not treating **you**; they are not responsible or in control of the clinical care **you** are receiving in a medical facility.
- In some instances, **you** may need to be moved from one local facility to another larger/more specialised facility, for treatment.
- Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency service rooms can be busy at certain times and so it is possible **you** may have to wait as **you** would in **your** local NHS hospital unless **you** require critical care.
- Once **you** are discharged from hospital this does not always mean **you** are fit to fly home – For example, if **you** were in the **UK** and suffered the same injury/illness, then **you** would not consider flying out on holiday so soon after surgery/treatment/incident.

Repatriation (bringing you home)

- Coming home straight away is not always an option even if **you** are considered 'fit to fly' by the treating doctor.
- **We** have a medical team with experience in aviation medicine who will advise on both the timing and method of repatriation which is best suited to **your** individual needs and **your** recovery.
- Most airlines require specific criteria to be met in order to accept a 'medical passenger'.
- Things change – if **your** health, stability or vitals change – then so do the plans.
- Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year.
- Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the **UK**, if treatment is not possible where they are.

OUT-PATIENT TREATMENT OF MINOR INJURY OR ILLNESS

FOR A NON-URGENT MEDICAL SITUATION

That is something **you** would normally see **your** GP or minor injuries unit for, so **you** don't need to attend hospital but **you** do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsillitis? Infected cut on **your** foot? **We** have teamed up with Medical Solutions UK Ltd, who offer **UK** Registered Doctors who give medical support and assessment over the phone and are able to prescribe globally. This means **you** can quickly access support with minor ailments without disrupting **your** trip too much.

You can access this facility free of charge by calling +44 161 468 3793.

YOU CAN ALSO CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

OPTIMAL CARE

In our experience the access to the best doctors, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations worldwide) are limited to state facilities. They don't always look as nice, but **we** have experience of good clinical outcomes within a regulated environment without the risk of a patients' health being compromised over commercial interest, immoral and dangerous practices such as extortion, detainment and withdrawal of treatment **you** are unlikely to find occurring in state facilities.

If **you** would like to know more about our approach to best medical care overseas and repatriation planning, please visit our website <https://philosophies.tifgroup.co.uk/>

IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING

In European Union Countries - if **you** present yourself at a public facility **you** should show **your** EHIC.

In Australia - **you** should enrol for Medicare, and have it accepted.

*Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and **your** standard policy excess will be waived from any claim **you** may make. If **you** are unable to use the EHIC, **you** will have to pay the medical facility and submit a claim when **you** get home, the policy excess will then be applied.*

In Turkey, Cyprus, Egypt and Bulgaria - **we** utilise the services of ChargeCare International who can arrange for the bill to be paid directly. **You** simply fill in a ChargeCare form in the medical facility to confirm the nature of the treatment received and pay **your** policy excess to the facility. They will then send the remaining bill directly to ChargeCare for payment. More information can be found here www.chargecare.net

Everywhere else in the World - if there is not suitable public facility that will treat **you** free of charge, **you** can pay the medical facility and retain all receipts so that **you** can make a claim when **you** get home.

PLEASE NOTE: If the costs are likely to exceed **£500** or **you** are admitted to hospital, **you** should call us on **+44 (0) 203 829 6745**.

ADDITIONAL SPORTS AND HAZARDOUS ACTIVITIES:

Unlike other policies we cover many sports and activities as standard; **no additional premium is required for activities listed in Activity Pack 1.**

We have categorised the activities that are not covered as standard into seven further bands. If **you** do not see **your** chosen activity, do not worry, we may cover it, but **you** must contact us so we can discuss the activity and what, if any, additional premium is necessary.

All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated. Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi-professional / paid / sponsored racing, timed events – unless otherwise specified, professional, display events, photo shoots, etc..) will not be covered under this policy. Safety guidelines provided from a professional event company or organiser must be followed. Failure to do so will invalidate a claim. If **you** are unsure please do not hesitate to contact us 0800 581 801 and we can discuss your individual requirements. We consider 'professional or competitive' to be activities/sports where **you** are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of **£200**.

Please note those activities marked with an asterisk (*) do not have Personal Accident or Personal Liability cover.
